

Trending Topics you must know as an MBA aspirant

1) India's Economic Outlook Remains Positive for 2026

- India's economy neutralised global uncertainties in 2025 with strong domestic demand, resilient industrial activity, and robust infrastructure spending. Experts forecast continued growth and moderate inflation in 2026 supported by supportive monetary policy and export improvements.
- Caution remains around commodity price volatility and geopolitical risks.

2) India to Chair Global Kimberley Diamond Trade Process

- India has been selected to chair the Kimberley Process Certification Scheme (KPCS) in 2026, a UN-backed initiative to prevent conflict diamonds from entering the market.
- As the world's leading diamond polishing hub (~90% of rough trade), India's leadership comes amid ongoing debates on ethics, human rights, and environmental standards.

3) Navi Mumbai International Airport Begins Operations

- The new Navi Mumbai International Airport (NMIA) officially opened, handling 48 flights and ~4,000 passengers on day one, with the first IndiGo service from Bengaluru.
- This major infrastructure milestone will decongest Mumbai airport, boost regional connectivity, and enhance business and tourism opportunities in Maharashtra.
